Dear Diane Tim and I are in shock as well- what a lovely son you have and always will! Still remember his smiling face playing poker in my basement with Pugs and the guys! I know Dave is taking care of him now and our love and prayers are with you and Dan always! The Freemans ❤️

Dear Diane, I am overwhelmed with sadness over your loss. I will always remember our school bus stop mornings so many years ago, when we would wait with our kids each school morning. I remember when we had just gotten our new puppy Tina and Mia and I carried her to the bus station to show the other kids and Eric reacted with a big smile when he saw the puppy. He will be remembered always. I am thinking of you and your family at this difficult time with love, prayers, hope and peace. John, Mia and I send our deepest condolences. xo
