“ *From my family to yours Ray our deepest condolences. Larry was a great friend for over 8 years. It was an honor to know him. He brought smiles to my kids faces as they did to his. He had an infectious laugh that made you feel better. We miss you and will continue to miss you everyday buddy. Hope your enjoying a nice glass of red with pasta and gods company.*

“ *I met Frank while we were each living in Bologna. Our friendship grew over the years through our love of Italian culture. Over time he moved back to New York and I married and moved back to California. Phone calls to one another for birthdays and holidays and sometimes in between (1984-April 2021). He always had an opinion. I will truly miss Frank.*
