“ *I used to clean his house, and loved to here all his stories. He loved his Irises and his family. He was one of the greatest men I have ever had the pleasure to meet.*

God bless to Kathy and family you were so lucky to have him for so long.

“ We are thankful that Uncle Frank had a long life so well lived. I have fond memories, as an 11 year old in 1950, of helping him and Uncle George hang rock lath for the plaster in my parents' new home. In recent years, while visiting Huntington, my sister Marylyn and I liked to take him and Aunt Mildred to lunch and enjoy their memories of family and life experiences. Among our large extended family he ranks as one of our best and will be sorely missed.

“ Frank was my uncle and godfather and aunt Lillian, my godmother. I remember the holidays at Grandma's and Grandpa's when the whole family got together. I remember bringing my kids over and uncle Frank letting them run his trains. All the brothers and sister are together now with some of their wives, children, grand children, and Grandma and Grandpa. Say hi for me uncle Frank and may you Rest In Peace.
