“ *I remember when Sue and I were little kids, we would have sleepovers in Hempstead. We lived a few houses away on opposite sides of Belmont Parkway. Most times mr and mrs green had to come upstairs and tell us to go to sleep because (you know little girls sleepovers) all you do is play (we were young) and talk. Suz and i were best friends back then.*

I will always, do always since reconnecting with Suz, love those memories of those great times.

*Even in the end, i just know fred was so glad you were there sue.
Love ya
