“ *I was very saddened to hear of Fred's passing. He was an exceptional man, loved by parents, teachers and students at Jefferson School, where he was considered the unofficial "Principal". He was always so agreeable and friendly. He knew every child and their family, and could be called on at any time to help with problems. He leaves fond memories.*

“ To My Choc,

I will never forget all of the beautiful memories that I have of you - 29 years of happy time with you. I will cherish those memories forever...visits from the New Mexico crew, Sunday bagel deliveries, many wonderful meals at our house, the great holidays we shared, and all the fun adventures I got to go on with you.

The most special was having you with me on my wedding day. Nothing will ever replace the joy I felt seeing you walk up for the ceremony. It made the day complete for me. I carry our picture from that day with me.

I will always remember how you took life by the horns and lived life to the fullest, no matter what anyone had to say about it. You always did what made you happy, and you were always there for me no matter what. You lived a long happy life; now you get to rest.

You were loved and will be remembered by so many. I hope that you know that I loved you so much and thought of you every day, no matter what. You will always be in my heart, and I will visit your second home out in the redwoods often (you know the spot).

I can almost hear you carrying on in Italian with Nana Rocco right now, with Grandma at your side. Tell everyone up there that I love them. You are all missed terribly by me.

Rest in peace my loving grandfather. You will never be forgotten by me.

Love,

Your Granddaughter Jenny
