“ *How does one begin to pay tribute to an extraordinary man, my DAD,? It would take a lifetime to put into words how much my dad means to me. He has the biggest heart that has touched so many lives over the years.*

Everyone was so blessed to have known my dad. He is a wonderful dad,husband,grandpa,uncle and friend. Even though my heart is aching to have one more day with him I know he is in a better place and at peace. My dad will continue to watch over me as always but now he will be wearing his wings (I'm sure God gave him green wings to honor his Irish heritage). I love and miss you Dad.

“ From Diapers to Diplomas and Birthdays to Bar-Mitzvahs and Weddings, Uncle George was always there. It is hard to think of a major event in me and my sisters’ lives which Uncle George was not a part of. He managed to make all of us feel special on every visit. As a young boy, I always looked forward to him showing up with his latest new car and giving me a demonstration of all the things it could do while he took me for a ride.

After losing my mom, I visited Uncle George in Ormand Beach. The day we spent just hanging out in Daytona truly meant a lot to me. We all know how much he enjoyed making everyone laugh, but even more special was how fantastic an audience he was when I tried to make him laugh. I think he had the heartiest laughs when I made jokes about my mom and my sisters. His presence in our lives will be so very missed.

We all loved our Uncle George and I feel so very blessed and honored to say I was loved by him.

Love,
Shawn
