“ *My condolences to the Moran family. I lived in the same coop as George did and for a time we both served on the board at the same time. I always enjoyed chatting with him on warm summer nights while we sat on a bench with his beloved Joey. He will be missed. May his memory be a blessing for all who knew him.*

“ *George was a kind neighbor. He always had time to say hello to my son who enjoyed speaking to George and petting his dog, Joey. We miss seeing George and Joey around the neighborhood, and I always think of George when I pass by his apartment at The Buckingham. Our heartfelt condolences to his family and friends.*

George was a true gentleman. He always greeted you with a warm hello. I'll always remember a story George once told me. A dear neighbor was seriously ill and asked George if he would look after her dog. Time passed and when I met him again I mentioned that the dog is certainly enjoying a long life. George deadpanned that the original dog had died and was replaced a few times with the same breed of similar age. "No one could tell the difference." One of my favorite all time stories I often tell friends. My condolences on the loss of your dad. May George RIP.
