“ *Gerson had a passion for cars. Like Brian O'Connor A.K.A Paul Walker. He knew.. what was under the Hood of that Car.

We loved to hit the road and laugh...
But for now...
It's been a long day.. without you my friend. I'll tell you All About it
when I see you again... when I see you again!

A person that departs from this earth never truly leaves, for they are still alive in our hearts, through us, they live on. My condolences to the family.
We will miss you!*
