Giovanni was a Son, brother, grandson, cousin, nephew, friend, neighbor, and classmate. He was a lover of music with a silly sense of humor and a heart of gold. Always making funny faces and obnoxious sounds just to get a rise out of people in anyway he could. All babies and children adored him.

“ *Gio,*

*I hope you rot in hell for what you did to me when I was 11 years old.*

*You always ripped my hoodie off and embarrassed me in front of everyone.*

*Then that night on the bus you did HORRIBLE things to me and continued to be creepy.*

*You may have hidden your true side from your family and friends but I already know who you truly are, you are nothing but a monster.*

*Listen maybe he did things to you when you guys were younger but you should have some respect for Gios family and not just his family but him aswell hes gone and you are having zero respect for him*

*Dude.....he sexually assaulted me when I was 11. I have no respect for that cunt whatsoever. Possibly he did the same things or worse to other people including my friend at the time who was 9*

“ *Gio,  
I want you to remember all the good times we had in camp together. you are always the camper that i refer to when speaking highly about Northport camp, even though sometimes you gave me a run for my money. You will always be the kid who was cool for the summer.*

“ *We will miss you Gio. All of your buddies and teachers here at NF Woods are really heart broken right now. But we know that to be absent in the body is the be present with the Lord. I'm sure you are up there trying to create beats and music with the angels. Rest well!*

“ No words can explain the sadness I feel with this news. Gio was such a bright young man with so much heart and energy. He loved to talk to everyone and he had a way to draw others to him. As a teacher, I enjoyed working with Gio who always talked about his family and the love he had for them. May you rest in peace and know that you were truly adored by so many. God Bless.
