“ *My memories of Glenn are of him always having a smile, asking how I was doing. He's truly one of the few happy go lucky free spirited guy, that truly cared about people. He's truly someone who would give the shirt off of his back. I had seen Glenn only about a week before he passed away he was giving me ideas on how to fix a 3 wheeler. I only wish I could've gotten one more chance to spend chattin with him. My heart and deepest sympathies goes out to the DiGiorgio family.*

“*Joanne & Joey, Aunt Muriel & Uncle Jack, I am so sorry.....I don't know what to say to you. I can't imagine what you are all going through.....Glenn was always so wonderful to us--coming to pick us up at the airport when we would come up, showing us around your town--just spending time with us when we would visit. We didn't get to grow up around our cousin, and all of you, but you always made us feel like family. He was such a kind-hearted person and very family oriented. Looking at your video last night one thing stood out to me -- I will always remember Glenn with a very big smile on his face. He was a happy person. My thoughts and prayers will be with you in the coming weeks and months. I know Grandma has a big smile on her face right now and she will be taking care of him. Love to all of you.*
