“ *I will remember with great delight Gordon chasing me down month and month to get my articles for the Crossroads newsletter. He was tenacious in his pursuit for King of Kings news. Also, he was one of the best readers at Sunday services. He read each word with such clarity; each sentence so respectfully. Certainly, we all should read the Holy Word with as much meaning as he. I will miss his emails, and Christmas cards and I will miss dropping by to see him during my irregular Long Island visits. Peace and blessings to all of Gordon's family.Pastor Phillip Gaines*
