“ I heard of the passing last month of Aunt Grace from my sister Sandy. There are a lot of fond memories - many family visits in our youth, holiday dinners, a summer week visit with Aunt Grace, Uncle Don and cousin David, baby oil for a tan at the beach, learning how to dig for clams, and there always seemed to be ice cream! God blessed her with 100 years. I will miss her.

“ I have many happy memories of my Aunt Grace. She used to load us kids in the station wagon and drive us down the hill to go swimming. Aunt Grace and Uncle Don loved to share slides with us of their travels.. I remember Aunt Grace doing square dancing at the World's Fair in 1964. And always a great story teller. I will miss her. May she rest in peace.

*Passed her house today on a motorcycle ride, a for sale sign displayed, thus prompting researching. My parents owned a house across the street, her son David being a close friend to me. Last saw her last year, she was outside, I stopped (on another motorcycle ride) to say hello, catch up on old times.  
Growing up, I distinctly remember both the pre-school and square dance days.  
She will be dearly missed.*
