“ *Grant was my dearest friend, we met at Pratt @ Whitney 1942 . We climbed Mt. Katahdin together, drove up to Greenville,maine in his model A Ford after second shift at P.@ W. arrived Greenville later that A.M, to climb . He was the most wonderful friend I had and I was excited to find him alive and well about two years, and to find he had the wonderful wife of his many years well. After WW2 he and his wife came up for a camping trip on Wilson Pond for a. few days. I never saw him again, but I shall never forget him as the most remarkable man and friend of my 93 years. This morning , I read of his passing as I tried to contact him on Google Sept 28 2015 .Sadly this morning for those and friends but thankful that I had two years with this remarkable and wonderful friend. I am Edwin S. Walden, Walden Farm Road,Greenville Maine 04441 and you go on boon walden@ gmail . com.*

“ *I extend my heartfelt sympathy to the Schleich's family. Although it's difficult to see beyond the sorrow,may the hearer of prayer grant you strength, courage and peace keep holding on to those precious memories for comfort. Please be comforted by these words found at (Psalms 5: 1-3 --Listen to my words, O Jehovah; Be attentive to my sighing. Pay attention to my cry for help. O my King and my God, because to you I pray. O Jehovah, you will hear my voice in the morning: In the morning I will express my concern to you and wait expectantly.)*
