“ Gregory Hanna

“ Greg was one special and unique person. I only just met him and got to know him through business in the last year. His sense of humor, his smile and laughter were all a big part of his great personality. While our friendship was only in its beginnings, we both knew that we would be friends for a long time. I wish that our friendship had not been cut short. This Cleveland-born friend (something he loved to tell people that we had in common) is going to miss him.

“ Dear Margaret and family--my thoughts are with you as they have been since Greg became so ill. He was a great guy--always brought a smile to my face--I regret not ever having had the pleasure to enjoy any of his musical talents, but we shared many a discussion about his experiences. Please feel free to stop by or call the office any time--I meant what I said about having that cup of coffee together one day. Again, my condolences go out to all of you.

“ We were so sad to hear of your family's loss. I wasn't privileged to work directly with him; I know I benefited from his guidance with the company. John and I wanted you to know that you're in our thoughts and prayers as you once again find a place of peace. Remember the great times.

“ Dear Hanna Family,  
I never met Greg in person, I only worked with him over the phone for the past five years. I enjoyed working with him and his wonderful personality. My heart sank when I heard that he was so sick. Please accept my condolences and know that I am praying for you and for Greg.

*Greg was such an asset to Accretive Solutions. In addition to being a teammate, he was a trusted friend to many.*

*Greg always conducted himself with professionalism, honesty and integrity. Over the past three years, he and I worked together closely. Greg's wit and personality "lit up the room" every time he walked in the door.*
