“ Our family would like to extend our deepest sympathy to Timi and his family. We are so sorry to hear about your Dad's passing. Greg was a warm and gentle man. We first met Timi and his Dad when my husband and I joined the Huntington Anglers Fishing Club. Whenever we would see Greg at a monthly meeting or one of the activities or functions that the club had he was always smiling. He was very soft spoken and he always greeted me with a kiss hello and a great big smile. I found him to be a very warm and gentle human being, thoughtful of others. a good listener, enjoyed going to the meetings and to the different activites and things that were held thru the club. He will be greatly missed by everyone that knew him and loved him. He was not feeling well and went thru alot of different things during his recent illness and we didn't get to see that much of him lately but we always would ask about him. The world lost a beautiful person and everyone who shares their memories of their time with Greg will keep his spirit alive. He is now in a place where there is no pain or suffering. Our thoughts and prayers are with Timi and his family. Greg will live in hears forever. God bless you and give you the strength that you need to help you thru this difficult time. There will now be another angel looking over all of us who knew him and loved him. Once again our deepest sympathies to the Lober family. We will miss you Greg. Rest in peace.
