“ *Dear Robin--Whenever I went to Centerport to visit my grandmother, Jeff was always the one that I made sure to get in touch with. He was a good friend and we always laughed so much when we were together. Even though I have not been back since 1992, I have thought of you, Richard, your parents and Jeff so many times over the years. It's been such a long time since I babysat you, Robin!*

I am so sorry about Jeff's passing. You and your family are in my thoughts and prayers.

With Love, Lynn Travers Currin

“ Jeff and I have known each other since childhood. in later years we became involved in politics together and actually ran for office the same year -- and we both lost. we laughed together many times about this because those losses were among the best things that ever happened to us.

As a funeral professional, Jeff was always a very caring person and did so much to ease the pain that families who had lost loved ones were going through. When Jeff entered the contracting business, he did a number of projects for me. It was always a pleasure to deal with him. He always said "I will make you happy." and he did!!

I never saw Jeff that it did not bring a smile to my face. We shared many memories and reminisced whenever we got together. In recent years, we shared anecdotes about having a parent with dementia and how precious it was to have a parent who was in our lives for such a long time. Even when I visited him in the hospital, we were joking and kidding around. Not much could get Jeff down.

I will miss seeing Jeff's smiling face and having someone in my life with whom I shared so many year. My heart goes out to his children and his sister who have lost such a wonderful person.
