“ *Growing up with him I have the greatest memories of his gentleness, his patience, his unbelievable wisdom, and the FUN we all shared during holidays, camping trips and in our neighborhood. One thing that stood out as I was growing up was he was always looking out for the safety of the kids in our neighborhood. I just felt very safe with him, whenever I was near him. Anyway, he lived a good long life, I feel so blessed to have known him and have him in my life; he will be missed by ALL. Enjoy Heaven, until we meet again! Love you, Diane Landeau Smith*

“ My heart is broken as I look back on this beautiful tribute video you posted. Uncle Hans was a tremendous influence on my life and I loved him like a Dad, he was so unselfish, loving, caring, giving, funny and a true hero volunteering for over 59 years with the Greenlawn Fire Department and Rescue. Always willing to lend a helping hand to anyone in need and truly lived a life of giving back to others. My memories are too countless as he was such an important person in my childhood and throughout my life, best friends to my parents for 60 years and never missed coming to see me when I visited from Florida. He taught me so much about love, devotion and loyalty to family and friends, Uncle Hans even gave me my first driving lesson! Your beautiful spirit will continue to live on in our hearts and memories forever. My deepest sympathy to Aunt Kay, Cathy Sue, John & Glen, you are all in my thoughts and prayers and I wish you comfort and peace during this difficult time.
All my love to you always, Laurie and family
