

Helen Margaret Jacobs

January 30, 1934 - December 11, 2025

Helen Margaret Mary MacKay Jacobs passed away surrounded by family on December 11, 2025 at the age of 91. Helen was born on January 30, 1934 to Irish immigrant parents and was the oldest of 4 children. She grew up in the Bronx with her siblings Charlie, Harry and Betty and attended an all girls catholic high school on the upper east side of Manhattan.

She met her husband Bill in April of 1955 and they were engaged 3 months later. They would have been married in November, but Helen didn't want a hunting honeymoon so they married on January 15th of the following year. They moved to Huntington Station shortly after and went on to have 5 children.

After getting her last child into elementary school, she started volunteering at the school's library and ended up taking a position in the district which she held for many years.

She loved telling everyone she came across about her Irish heritage, especially after she finally got to explore Ireland at the age of 80. She went on to visit her parents' home town of Ennis two times before she passed away and was able to reconnect with friends and family, creating incredible memories and relationships.

Those who knew her knew she was spunky and charismatic, with the most incredible smile that lit up a room. She loved spending time with her family, especially while having a glass of Irish whiskey or a vodka on the rocks. She was the life of the party but above all, was a loving wife, mother and grandmother.

She is predeceased by her husband, Bill. She is survived by her children, Gail (Jeff), Linda (Jammie), Jimmy (Debbie), Billy (Meg) and Michael (Diane), her grandchildren, Regina, Ryan, Jacy, Bryce, Haley, Cam, Emily, James and Matthew and her great grandchildren Jake and Olivia.

In lieu of flowers donations can be made in Helen's memory to:
