“ *Dear Uncle Hank*

I hope you are at peace now and not uncomfortable any more. I love you and miss you. You will always be in my heart.

“ *My Dearest Brother Hank,*

*We miss sitting with you and talking.....
and now you are in heaven doing just
that with beloved Mama and Poppa and
sister Mary. The sorrow that we feel
right now will heal in time, just knowing
you are not suffering any longer.*

*Look down Hank, for 'Poppa' is
there.....and Mama too.....I love you
and behold soo many cherished
memories of you growing up and in
adulthood....shortly you will read my
eulogy read at your services.....Rest
In Peace, my brother, Love, sis Lucille*
