“ Hi Dad, I know we have been blessed for the years we have been together, but it still is very hard saying goodbye. You have thanked me many times over the years for taking care of the things you were unable to. You told everyone that I was your Guardian Angel and for that I was deeply touched and just thankful that you were still part of our family. Now you are free again to be with Mom and all the rest of our loved ones that have past on. The both of you will always be in our hearts and we will miss you. Your loving family, Tom, Lisa, Dani, and Sami. (Bentley)
