“ Hi Mom,
I miss you and think of you everyday. Still can't believe you are gone. I wake-up thinking of you and have wanted to pickup the phone so many times to talk. My eyes fill with tears just thinking of you. I try to talk of you with friends and family, but it is still to hard. I can't help it just hurts so much not having you here anymore. The Great Grand kids miss you too. Ava and Alegra talk of you often. Jenn is always sending me pictures that she finds of you and the girls. Mom you are always in my thoughts and prayers. Love you Mom❤️❤️❤️

“ Hi Mom,

Miss you everyday. I am trying to move on but it isn't easy. I know you would not want me to feel sad about your passing but it is just so hard not seeing or talking to you. We are going to get Fred at the airport today. He is coming down for a few days to check on his condo and play some golf. He was down last week for a few days. Tanner got his cast off yesterday so he is happy to be able to do all the things he likes to do. Everyone is doing fine and misses you too. Jenn said Alegra misses not going to Panera with you. (I do too)

Love you Mom ❤️❤️❤️❤️❤️😭

“ Hi Mom,

Just another day without you. I am keeping busy in FL with the condos and trying to get them rented for the 1ST of Oct.

Tara fought yesterday in Las Vegas. She had 3 fights won them all, but the 3RD fight she won gold and received her purple belt she said " it was an amazing feeling it brought tears to her eyes." I am so proud of her and I know you would be too.

Tanner broke his wrist the first week of school, but he is doing fine now. I made sure he went to Dr Ellstein. Ella, Ava & Alegra are all doing good too. Ava & Alegra tell me that they miss you.

Claire went on the Disney cruise with her brother, Terry, Kristy & her nephews. She will be away for her B-Day & her brother.

Freddy is coming to FL tomorrow to play some golf and do a few things in his condo. He is only staying a few days cause it is going to be Dee's 21st B-Day.

I put a B-Day balloon for Dad and a miss you one for you. I also went to James & put

B-Day balloon for him too. Claire went and put something for Eddie before she left.

We miss all of you so much ❤️❤️❤️❤️

Love your daughter,

“ Hi Mom

*I went to see the Dunkin Donut guys. Kenny, Joe, Charlie, Al & Tommy were all there. First thing Charlie asked is how's your mother. It was hard getting the words out and they were all very sorry to hear. Charlie was real upset it brought tears to his eyes. He said all we can do is pray for you. They will all miss you smile and the happy times you spent together. I talked with little Cathie and she said they all miss seeing you walk over there. They would have a lot of laughs with you. Mom you are missed by many. Love you ❤️❤️

“ Hi Mom,

*I can't believe it's been 2 months since your passing. I miss you more and more each day. I am in Florida now and yesterday when I was having breakfast I wanted to call you and talk like we did every morning. I have been sad since you left and am trying to accept it, but it isn't easy. I know you would not want me to be sad but I can't help it you were my best friend in the whole world. Love and miss you Mom.

“ I would like to send my deep sympathy to all of Hope's family. I do have fond memories of her. She was a warm, and gentle soul. And yes, a smile that would light up a room. Fondly, Cathy North Hanes and Family.

“ Hi Mom,
It has only been a few days, but we are still trying to process the fact that we will never see you again. All your family and friends came to say good-bye and they all said the same things, "that you were a loving, generous and great person." They said "that your smile would brighten any room that you entered." The senior center, home extension and even Panera group came to say good-bye. You touched a lot of people in your life time and was highly respected by all. We had a small gathering at the house with your brothers, sisters, grandchildren and great grandchildren. It was hard being there without you. I hope you are looking down on us and that we made you proud today. Miss and love you Mom.
Your Loving Daughter,
Hope 💔😭 XOXOXO

“ Mom

I know you were getting tired and you missed Dad. I am sure you are with Nana, Gramps, Dad, Eddie, James and all our other relatives that have passed. We miss you so much already. You were my best friend in the world and I could not have asked for a better mother. You always made me feel like a princess. Thank you for your patience, advice and all your help over the years. You always put all your children first. I am so thankful I was able to spend the last 6 years with you and our trips to FL. You will be missed Mom but you will always remain in my heart till we meet again.

All My Love
