“ *Fancho, as he was known to our family, will always be remembered for his kind and loving nature and his enormous humility and love of family. He gave his all to every job he did and his children followed in his footsteps, hard working, respectful and caring. Fancho will be missed by all but we believe he is at peace with the Lord and will be praying for the loving family he raised as so many prayers will be said for him. Rest in peace Fancho.
