“ I texted this message to Carol on Wednesday asking her to share my thoughts and condolences on the passing of my aunt Irene. That was before I realized I could do so on this tribute wall. This was what I texted her. Hi Carol. When I saw Pat's missed call on my phone yesterday we both thought he wasn't calling about my investments. When I called him back he said mom when peacefully without much pain. That's great! I don't have to tell you how much I loved your parents. When Uncle Nick died a part of me died too. He was too young. Your mother had a long and wonderful life. I know it doesn't make it easier. I told Pat I wouldn't bother you but I just wanted to let you know I'm thinking of you. Our families have known each other for over 60 years. That's pretty special. I'm so happy we got to see her one last time at your beautiful house. Please give the rest of the family our best. When things calm down we can talk. Just think Nick, Irene and Dorothy are having a Martini together in heaven tonight. All my love always. Billy

“ On October 24 I lost my second mom, Aunt irene. She died a little more than a year after my first mom passed away. . They were best friends for 62 years. I also had 2 dads, my first dad and Uncle Nick. We were and are 1 family and have been so for 62 years. I am sure my moms are up in heaven catching up with what has transpired over the last year. They are both sorely missed. My thoughts and prayers go out our family. we lost great ladies.but I'm sure they are happy to be together again. Love you all.

“ *Aunt Irene was one of a kind, she was generous, kind and caring with a quick wit and infectious laugh. Billy has many wonderful memories of growing up with Uncle Nick, Aunt Irene and their children. She will always hold a special place in our hearts and memories. Our heartfelt sympathies go out to her entire family, Lorraine, Carol and Stephanie along with their families.*

“ *One of the greatest gifts that I received when I became part of the Patrissi family was Aunt Irene. I will always cherish memories of the times when she lived in Florida and we would go out to lunch or dinner, shopping or just get together for coffee. Patrick and I were fortunate through the years to have her at our table for holiday dinners, which always meant a lot to us. Aunt Irene as full of love and laughter. We had so many laughs through the 24 years that I'd known her. There will always be a whole in my heart now that she is gone. I loved her with all my heart and my deepest sympathy goes out to Carol, Stephi and Lorraine, and their families.*

“ *Our dear aunt Irene. Whom we loved with all our hearts.
We shared our backyards - 4th of Julys as kids in westhampton- our
second Mom- the best friend our Mom ever had-
We will never forget all the special times our families have shared
and how bright Aunt Irene made them all.
We feel your sadness but we cherish the memories.*

“ *She was a love and a joy to have been our friend and (family) to my
children. My Dorothy (my gift of God) were like sisters knowing each
other for over 50 years just as I was like a brother to her husband
Nick. Our loving fun times together were the greatest. She and my
Dorothy are again together and will each take care of each other
and their love will continue. Love you Irene as I do your children. My
heartfelt sympathy is with you all. Love Uncle Ang*
