“ *I had the pleasure of working with Izzy at Locust Valley School and at North Shore day camp. Izzy always beat to her own drum. If she didn't like the our boss told to do sobething she would do it her way tge right way. From there we would get together to crochet at Izzy house. The fist couple of times we did crochet through out the years it was really just a get together with great friends and of coarse Izzy and Theresa always had delicious food and if anyone of us couldn't figure out a crichet stitch Wed bring it and Izzy would either ripe it out and redo it or just finish it for us. We had so many laughs .I will miss izzy dearly . She has a special place in my heart. Love and miss you Izzy*
