“ *I fondly remember growing up across the street from the Diana's. Mr. Diana's lawn was always pristine and his yard perfectly manicured and he was always quick to wave and make a kind and/or quick witted comment. Their family dinners stand out in my memories. It was something I admired and aspire to do with my own family. Whenever I found myself back in Huntington, I would stop by for a visit to once again experience the warmth and genuine caring that the Diana's extend towards friends and family. Jack will affectionately live on in my memory as a good person, friend, dad, husband, and family man. I'm a better person from knowing him. My thoughts and prayers go out to everyone in the Diana family. I'm am so sorry for your loss...*
