“ I first saw Jimmy in 1968 while I was working for First National City Bank as a file clerk. He was in the hall waiting for us to get off work so he could start. the second time was at the East Rockaway LIRR, It was 1969 and we were working for New York Telephone, it was a few years later(close to 20) I worked for him from then he taught me to sail and with our gang went camping. we had many memorable adventures. A true friend(very hard to find in these times). He will be missed but never forgotten! I look forward to the day I see him again, till then God Bless and thank you for everything. Mostly for being you. Michael Esposito

“ I met Jimmy for the first time in 1970, when I started working for the “New York” telephone company.

Little did I know that we began a friendship that lasted over 50 years

Slow at first, some Social events, Italian restaurants parties, concerts, through the seventies, then I met the kids, they got me to go camping, not my favorite thing..

Then there was the ski house rentals at Hunter mountain, of course Dominick, Jimmy and Wendy were my ski partners

Such a great time watching them grow.

Then sailing, Jimmy was great crew, always with the kids.

To say that Jimmy was a dedicated father, is an understatement, they were always included

Several times we took some ski trips to Italy, where Cathy my (Cathy), met Cathy Mirabel, Jimmy told me several times, that he was lucky to have met her, the lasting relationship that followed was a testament to that, it was wonderful for both of them

I could go on and on we worked and played together all those years, over time I met the family,

Ray and Carleen, Diana and Tony and Antonio

His grandchildren made him happy, he spoke of them often

I am truly grateful to know all of you, and grateful that I knew Jimmy, he brought a lot of joy into my life and Cathy’s life as well

I will miss him so much

“ When I think back to our earliest years, some of my fondest memories are of the adventures we shared together. The warmth and humor your dad encouraged made us feel at ease and, in his own quiet way, helped create the space where a lifelong friendship between Jimmy and me could take root and grow.

Those early moments mattered far more than we understood at the time. The bonds that shape our lives are often formed without ceremony, yet they endure. I will always be grateful for his influence on my dear friend and for the role he played in forging the friendship that has meant so much to me. Please know how deeply he is remembered and honored, and that you and your family are very much in my thoughts during this difficult time. Michael

“ Jimmy was a great friend to me I knew him for 40 years. The last 20 years or so we became very close we work together every day. We were Partners lots of those days. Jimmy would listen to your troubled and happy times with true feeling. I also socialized outside of work with Jimmy and Cathy. I treasure those memories. He will always remain in my memories. God rest his soul. Love you Jim. Ray Tucker

“ I don't know where to start. First, to my cousin Cathy Mirabel. You are such an amazing person and the two of you together were some of the most amazing times we had. You are in our thoughts. To Jimmy's family. You had an amazing dad, which I'm sure you know. Michele and I will also keep you in our prayers. We haven't seen Cathy and Jimmy since 2018 and have missed time with them. He will always be a member of our 'family'. He was definitely loved by many. Rest in peace cuz!!!
