“ *Grandpa I can not say how much we will miss you. We know you are in a better place and that you have lived a GREAT life. I am so grateful for the time the boys got to know you. I know you will be watching over them and I just pray they turn out to be half as good of men as you were. We love you very much and will miss you everyday.*

“ My father was a wonderful human being. He was a loving husband, a great father, a doting grandfather and an adoring great grandfather and I will miss him very much! I had the opportunity in my life to meet a great many individuals. Some of them lead countries, some of them lead major companies and organizations, and some of them were just ordinary individuals getting on with their lives. My father stood out in that crowd because he genuinely cared about who you were and how you were doing in your life! He was simply a wonderful human being and he will be sorely missed by all of us who knew him, and loved him. Rest in peace Dad.
