“*Janis was charming, friendly, caring, kind, understanding, generous, and patient. She was the most NON-judgemental person I have ever known. She was truly happy and blessed in her relationship with Rodney, her soulmate (her words not mine). My whole heart goes out to all of us experiencing the loss of this most special human being. I miss her already and will cherish my memories forever.*

“ *Janis who I always called “JD” is considered family and I am blessed to have had her in my life. JD loved her family and would do all she could for them. She was my best friend, counselor & keeper of all my secrets. I could always count on her to tell it like it was and trust that I was always going to get the truth and solid advice. I loved JD who was a big part of my life and will be sorely missed. My thoughts and prayers are for all who she has left behind.*
