“ I love you grandma so much! The love you and grandpa showed me during my life was amazing ! All the memories of Melbourne started flooding my mind! I remember the hikes thru the back yard wilderness of your house with the lake in the middle! The first time I learned to swim when grandpa threw me in, which was shocking, but truly loving cause I'm a great swimmer! I remember the flea markets getting all my Pokémon cards ! I remember the pizza parlor on Melbourne beach with huge pizza slices! I remember your touch and your voice always saying phillip! I truly will miss you and please rest in paradise
