“ I will truly miss seeing Jeannette in our neighborhood. She always had a kind word and smile whenever I would see her. Over the years she was always so thoughtful and caring toward my daughter with dropping a card with a few \$ in it for holidays and cking in to see how we were doing. She would even bring my little dog “Henri” a leftover bone once in awhile. I think she had a soft spot for her 🥰 When I met Jeannette about 15 years ago we realized her cousin was Father Henry who knew my mother from many years ago growing up in Jackson Heights where he was a young priest. Many years later he ended up in Mattituck where my family was living and was the priest and friend that would come see my Mom while she was dying in the early 1980s. So there was something special for me to meet Jeannette so many years later and have her as my friend and neighbor❤️ I would look for her on the porch as I would go bye and stop in to say Hello at times. I will miss the emails and updates on her thoughts and concerns in our community. May God Bless her family in knowing what a special lady she was and how her acts of kindness touched many of our hearts. 🙏❤️

“ I am greatly saddened to hear of Jeanette's passing. She was a very kind and giving person. I will always be grateful to her for the many occasions on which she shared her home and family with me when my own family was not near. Sending prayers to her beloved family.

Much love, Donna

“ Our extended clan has lost one of our shining members, who was vital in keeping the large and geographically spread out family in touch with each other. Jeannette was a beautiful spirit and will be sorely missed. May she rest in the eternal embrace of the Lord and all of those who loved her.
