“ Jeff and I went to school together from Kindergarten up. He had a great laugh, and could do almost anything. He will be missed.

“ My husband and I were so happy to have met Jeff and chatted with him. He was such a nice and friendly person. Even in the short time I knew him, I was very grateful for his friendship. Was so looking forward to having more long chats with him. May he Rest In Peace. Though we can not be there in person to sympathize with you, know that the Block family are in our thoughts today and we pray for your comfort during this sad time.

I knew Jeff for 17 years...he and I shared many long conversations on anything from political strife to the meaning of life. He would often call me when he was near the water enjoying the calm of the evening. He was a true and loyal friend to the end. No matter what, Jeff was always there to help me...It was a privilege to share part of his joys, sorrows, soul searching and incredible creativity. We also did some theatre work together...this seemed to bring out the best in him..his humour and wit was unmatched...his spontaneity refreshing...I will never forget the things we shared that others would never understand.. I love and miss you my sweet and precious friend.

“ *Almost any major local logistical issue and Jeff would make time for us. A sudden move and we had no car From our investment property we sold. Bringing down the 70 foot oak behind that property years before. Showing up to make sure we had help with my brother's funeral a few weeks ago. And other things. My son really enjoyed Jeff's humor, and I realized he really was fun. No matter the challenge he would keep pushing on, trying to do good and helping through is many skills and through many miles for many people.*
