“ Gail & Ryan,

Please receive our deepest sympathy to you and the rest of the family.

We only just found out because my mom, Doris, went to be with the Lord on December 25th.

I saw Jeff?s name on the website and it blew me away, it took my breath away.

Jeff was born the same year as I.

Please let us know if you need anything!

God?s Blessing to both of you!

“ Gail and Ryan, my deepest sympathies are with you both. I love you and am here for you. Jeff, I always think of you when I bake the yummy Reese's peanut butter cookies that you used to make! Rest in peace Jeff.

All our love, Lynn and Herman
