“ *The world's best Godmother ! I will always remember her gentle ways and all the fun I had with her growing up. Our trips to Radio City Music Hall to catch the 11 am ,\$.99 show of the Rocketts and a movie. Our trips to the Automat for lunch and an egg cream after the shows. Every night she read in bed when I visited her in NYC in the summers and she would share with me the stories she was reading. Aunt Jean always had a book for me and she opened my world to an interest in literature. She knitted gorgeous outfits and blankets for all her nephews, nieces and their children and she taught me how to knit too.*

*I am so lucky to have such a wonderful role model in my life . She was so kind and caring of all of her family and friends . I know she is now at peace and also so happy to be with her family in heaven . We were all so very fortunate to have such a wonderful woman in our family and in our lives ! We will miss her but have comfort knowing we will all meet her again.*
