“ *Smile though your heart is aching, smile even when it's breaking. When there are clouds in the sky you will get by, if you smile through your fear and sorrow. Smile and maybe tomorrow you'll see the sun come shining through for you. Light up your face with gladness, hide every trace of sadness although a tear may be ever do near that's the time you must keep on trying. Smile what's the use of crying you'll find that life is still worth while if you just smile. That's the time you must keep on trying smile what's the use of crying you'll find that life is still worthwhile if you just smile* sung by Nat King Cole and truly one of Jennie's favorite songs that she often sang.
