“ *Sam and I heart go out to you and your family on the passing of Jerry. Jerry was always so funny and a very nice person, whom I have known since an early age when we attended school together. When we were younger, I always liked going to his house to eat and especially around Christmas when his mother had so much good food and Jerry would fill my plate. Susan, please accept our heartfelt condolences for your loss. Our prayers are with you and family. Heartfelt thoughts go out to you in this time of sorrow. Our thoughts and prayers are with you all at this time. May God give you comfort in your time of grief. Samuel and Earlene Merrill of Maryland*
