“ *Mr. John Ambrosio Jr., you have impacted so many people with your unconditional love and generosity. I have learned so much from you, how to be a man, a husband, a father and a grandfather. You were such an amazing role model and the father of one of the strongest women I have ever known, Christine. You will truly be missed and I will always cherish the memories we shared together. I loved coming over to watch the Yankees and of course I never passed up your famous sauce. Rest in peace POP we love you and miss you so much. Your memory will live on in our hearts forever.*
Love, Brian xoxo

“ Rest in Peace Peace with the Angels in Heaven MR. JOHN AMBROSIO JR.

*It is an honor to address you as "POP," the father of my best friend in the world, CHRISTINE. Since the day I met you, I admired your strength, charisma and sense of humor. Thank you for bringing your daughter into this world and sharing her with me. She is such a huge part of my life and I would be lost without her. Spending time with you this past summer is a time I will NEVER FORGET and will cherish forever. Your passions are inspirational and educational. I have learned from you and loved with you. Thank you for sharing your sauce recipe with me. It was a joy to take dictation as you spoke the recipe, of your mother, to me so I could have it forever. And then... instead of just having it in writing, we cooked together that hot afternoon with Christine and made it happen, one last time, a day stored in my memory bank. Your love and care for your wife RITA is a bond not many have and you are both blessed to have had each other. Spending so much time with you this summer made me realize how much your beloved daughter Christine takes after you. Thank you again.
I LOVE YOU,
Colleen xoxo*

“ So you have pain now; but I will see you again,
and your hearts will rejoice, and no one will take
your joy from you.

*2 years ago we celebrated the 80th birthday of a wonderful man,
someone I will always hold dear to my heart, I was so happy that my
three children could be there and celebrate, life is about family,
making memories and putting things aside. Rest in peace Uncle
