“ All any Father wants is to know that he’s given his children the tools to succeed, kindness and the best of memories. John was truly a selfless, brilliant and kind man. It’s as if John was sent here to mend our hearts and to show us how it’s done. Just as quick and valiantly as he did his work, he leaves it to us to do the same.

John is a great reminder of what true dedication looks like. John set the bar pretty high, but we will work to be better fathers, husbands, workers and simply... kind people. We are blessed to have him in our hearts.

“ To all the Dolan’s...I am so sorry and send my deepest condolences to the family! He was an amazing husband, father, family and friend! There are no words that will make you feel less pain, but I know you feel his presence...always! Look for the signs they will be there ❤️ The mass dedicated to John was beautiful and the priest truly captured his zest for life, taking and making opportunities, and his true love for his family! Denise, I loved the story how he “stalked” you in college...true love!

*I am sending tight hugs and lots of love from Phoenix!*

*Love to you all,*

“ Dear Denise, Jenna, John Christian, and Aislinn.  
Gilles and I are beyond words at the news of John’s passing. We remember his smile as he drove one of his treasured cars at Hershey or a tour, or hearing his laugh when with the guys, or seeing his look of love as you, Denise, called out “Jon Dolan” to him.  
He will be missed, but will live on in our cherished memories.  
We are so sorry for your loss.  
With love,

“ My deepest sympathy to Denise, Jenna, John Christian, and Aislinn. May your great memories of John comfort you at this time. I pray that God gives you the strength to get through this and God keep John’s soul in his loving arms.

I worked for John in the early 2000’s at Northcoast Communications and I learned so much from him. Great person and mentor because of John I am wiser and a better person. Rest in Peace John, until we meet again in heaven.

“ We were just sharing our memory as new neighbors of the Dolan family 20+years ago, the caroling group John led to different houses around the block after a Christmas get together at their home. John had stuffed a number of bottles of champagne somewhere in his coat or a backpack and at each house we stopped, he left a bottle of champagne in the mailbox! He was a generous, fun loving and thoughtful person and we will miss him dearly - Tim and Marie Donovan

“ John and I met in graduate school at Hofstra University back in the late 1980s. John and I struck up a relationship that manifested itself in John’s astute observance of the copious notes I would take in class and then retype into a very archaic word processing program. From time to time, John couldn’t make a class because of a work commitment and I would provide him with my notes. John and I along with his lovely wife - Denise - became friends and invited me to participate in various events along with their beautiful children Jenna, John-Christian and Ailynn. John would have given you the shirt off his back. John was a bright man, determined businessman, loving father and Parent and a very loyal friend. God rest John’s sole. I have no doubt that he is in heaven with his maker. Victor Lombardi

My husband had the the privilege to coach Aislinn Dolan at Johns Hopkins. John and his wife Denise were involved parents and left a mark on everyone. They joined the team in 2018 to Slovenia, Croatia and Venice. What a fun, generous and kind man. He will be missed and it was a blessing to know him. Love to his wonderful family. He was too young.

*Denise, Jenna, John, and Aislinn,  
I am shocked and numb this morning to hear about John's passing. John was always bigger than life. His kindness dated back to our meeting in High School. We were roommates for a while in college. Denise I remember your and John's first date. ( you insisted on a double date with Julie and I ) John was a wonderful best man at my wedding and Denise your wedding to John was beautiful. Years could melt away when you talked to John. That wonderful sense of humor would make it seem like you had just talked yesterday. The last time I saw him was when he thoughtfully showed up at my bedside 4 years ago in Cleveland the morning after my open heart surgery. John touched so many and was loved by those who knew him. I am so sorry for your loss. Dee, I just found out or I would be with you and your wonderful family today. My thoughts and prayers are with you. Words can't express the loss. .*
