“ John was such a wonderful, loyal, generous, fun friend. His Christmas parties were legend, and I loved going out to eat with him and Steve W. We all had gin martinis, very dry, straight up, with lots of olives for me, 3 olives for John, and a twist for Steve. Talking with him was always enlightening and spending time with him was always a joy. Doing theater with him was such fun, and I have so many funny memories and stories to cherish. I will miss him more than I can say, but I'm so grateful that he had the good sense to marry such an amazing woman. Kathleen, God bless you for the pure, beautiful, and true love that you brought into his life.

“ Kathleen,

*Our entire family is mourning the lost of John - from Michael and I, who laughed with him and raised glasses of wine to celebrate life, and thanked him for unparalleled acts of generosity and kindness to our family;*

*from Devon, our niece, who celebrates him with special remembrances we are grateful to be reminded of;*

*from Morgan, our nephew, who needed John's loving and calm presence at his Church Confirmation many years ago and continued to ask of his progress through college graduation;*

*and from my sister Holly who had great conversations with John over the years, and captured the wonderful photos of him with her "loving lens", we are all thankful to have.*

*Much love and support to you Kathleen, and the entire Eberhardt-Sprauer-Nadal family.*

“ *John was one of the most kind and generous wonderful people I ever knew. His smiling face and signature laugh the over present Hawaiian shirts. I will miss him dearly. The way he went running to help during 911. I have too many memories to list.. But some of my favorites were having margaritas , going to The Players Club, tap dancing in front of Macy's in Herald Square and all the numerous shows I was lucky enough to dance in with him. I am very happy he found a wonderful woman to marry. I am so sorry I lost touch with him it will be a big regret for the rest of my life.*

“ John and I shared many fun moments together. Singing Mack the Knife at my recital, hiking the Grand Canyon, dance competitions, balloons when we won, taking care of my grandmother, and of course Ladybug and Gimpy. I am so happy John found the love of his life, Kathleen. To you John, your wish now begins....to be reunited with all your beloved 4 legged best friends. Please give all of them a big kiss from me, especially Ladybug , Gimpy, Clancey and Emerald, and tell them one day I will be with them too. I hope you dance. Penny

“ Dear Kathleen, Betty, Fred, Mr. & Mrs. E. and John's entire family; Knowing John for 33 years was a privilege. We had so much fun, so many good times together from that first TTG LA MANCHA in '82 and the following 15 shows or so that followed over many years. I was also fortunate to spend time with him and speak about so many other topics outside of theatre. His intelligence and warmth always touched me and his belief in "giving back to the community" and "being a friend" were evident to all who knew him. If you knew John, you knew you could count on him to be there when you needed him. I regret I will be out of town and unable to see you this week, but know my thoughts, prayers and love is with all of you. They say the true definition of an "angel" is one who helps others; John was an angel on earth and now there is a new angel in heaven. My love to you all, Rick Grossman

“ I remember John during rehearsals for Spoon River Anthology. He was out of his comfort zone -- doing dramatic roles. Yet there were two times I saw him completely at ease and in effortless control -- while charming our boisterous dog into happy submission and while dancing a brief waltz during a scene. He appeared transformed and at peace every time. I hope he gets to charm dogs and lead lucky dance partners forever. Love and prayers to all his loved ones including all those friends who knew him far better than I.

“ When TTG did '...Forum', I was the costumer and Joe was the pianist. I remember doing fittings in the aisle at 5 Towns and John holding Melanie-then 5 months old! while I worked. Later we did '...Whorehouse' and John and Joe were Aggies, having a blast running around the set in their 'tighty whities'. So many memories at Hofstra-we all share those. First thing I did when I heard the news, well, after I cried, was to pour a glass of red wine to share with John. So many memories-too many to talk about here-we'll cherish.
