“ *Dad, today was the most difficult day of my life. The first thing I wanted to do when I got home was call you, and vent what a tough day it was. You were always there for me, when I needed that. I will cherish the good memories always, and continue to try and make you proud. You were an amazing father, grandfather, and friend. Please say hello to Lincoln for us.....Love Dennis*

“ *John was a neighbor to my Aunt many years ago then to my parents. My Dad died 8 years ago and John always looked out for my mom . John was the best neighbor anyone could have and the kindest most caring person you could meet. I know he will be missed by many. Especially his loving wife Vicky. RIP dear friend.*

“ When we were kids John gave me a box of candy hearts ! I remembered it all these years and every Valentine’s Day I would send a picture of them to him . Nothing undermining just 2 old friends who shared a history.

“ *Dad, I can't begin to explain how badly I miss you. I only wish I had 1 more chance to see you, hug you, go fishing with you or even just talk with you. The memories of everything we did together are so vivid in my mind I can feel and smell them. I hope wherever you are the seas are calm and the fish are big. I love you Dad and I will always remember the great times we had. Love John*

Hey John my dear Seabee mate I'll always remember you coming up to Massachusetts to go fishing with me and my son Tom

I can still picture us catching some big striped bass and then at the dock channel 10 did a story about you my son and me about our fishing trip

You will always be remembered by this old Seabee
