“ *Linda and Jennifer Even with everything John was going through He was always smiling Through it every time I saw him. Even when I'm sure there were times that he didn't want to. Such courage I'm sure that he got that courage from endless care, love, from his wife and daughter  
Saying prayers that John is resting a peace !*

“ Johnny,

*I'm addressing you directly, because my faith has taught me to believe that you're not very far from any of us.*

*And maybe right now is the opportunity to tell you just how much I think of you and how I enjoyed spending time with you over the years - and I believe, in future years to come...*

*We had some great, fun, and exciting times together. I think both of us loved adventure - especially "the need for speed" - so many great times. And even though I am a few years younger you always treated me with dignity and a loving friendship.*

*Cousin's we are - but the friendship shared, even stronger...*

*Johnny, you have the heart of a giver, someone who cares for others, many times, more than yourself - I've felt that and witnessed that in you many times. You are a good man who graced this place we call home - and now gracing that heavenly place where you are now with your unique presence...*

*So, saying goodbye is not an option, or a reality at all... The memories of you and me will last until that time in the not-so-distant future, where you and I will continue this awesome relationship... And I'll be thanking God along the way for every bit of it!*

*Peace,  
Jim*

“ *Linda & Family,  
So sorry to hear about John.  
We have had many talks when you came into the WFA office in  
Smithtown.  
May he rest in peace.

“ *I was so sad to hear of John's passing. My family was so lucky to  
have known him, his wonderful wife Linda who took such amazing  
care of him for many years and his daughter Jennifer. John was one  
of the kindest people I have ever met. All of the neighborhood kids  
would want to be around him. They would be so excited when he  
was outside & had so much fun with him. Many memories were  
made that my kids still talk about. My husband spent many hours  
talking "cars & motors" with him. A big loss to many. We had so  
many good times over the years and he will be greatly missed. My  
prayers and condolences to the family.*
