“ Dear Marie, Louise, Jen, Elise, Laura and family,

We are so heartbroken -- we only had the pleasure of meeting John a few times, but we remember his kindness, strength and how much he loved all of you. Please remember that his spirit is always with you, and now also with his beloved father and grandparents, Mr. and Mrs. Yetzetta.

We are praying for him and for you, and send our love to you...

“ To the Salerno family,

I am so sorry to hear of John's passing. We went to elementary school through high school together. I always felt a special connection because we shared the same birthday. Although we had not seen much of each other over the years--when we did see each other, there was always a huge hug as if the years never passed. Please know my thoughts and prayers are with you.

“ I haven't seen John for years but think of him from time to time. He was my first friend when I moved from Brooklyn to Glen Head. Though we did not remain close in High School, we still remained friends. Please accept my deepest sympathies to his family.

“ I knew John for many years when we were kids. He was a great person, always quick with a smile or joke. I was so sorry to hear of his passing. I'm sure he lived every moment to the fullest. Please know how many people are thinking of him and your family.

“ Dear Jen,

I will always love your husband... my godson and cousin. My memories of John growing up and his brilliant smile are so vivid. My heart deeply aches for your loss... so very young, and so much left undone. I wish you a peace that eases your pain and loving support all around you.

Love, Joan
