“ It was with great shock and sadness that I received the news of John's passing. I knew nothing of his illness.

John was a true gentleman and musician. I first met him in 2009 when I became the Band Director. John was then the Band treasurer and bassist. He excelled as both. Always helpful and pleasant John will be greatly missed.

On behalf of the members of the Queens Symphonic Band I would like to extend my sincerest condolences to his family and friends. May he rest in peace.

“ My deepest condolences to the Wagner family. John and I were friends and band members together with the Queens Symphonic Band for many, many years, and then we grew closer as we both served on the Board of the Band for the last 4 years. I will miss his wonderful laugh, his terrific story-telling, and his great playing. My heart is with you.
