“ *I am shocked and saddened by the news.  
Joe was a pleasure to work with and he will surely be missed.*

“ *Words cannot express how saddened I am over this loss. I remember playing Otello with Joey so long ago when I was just a kid. I think of how he always thought of me when coming across new music and sending CDs to me that he thought I might like. He always thought of other people. Joey was a good person with a warm heart. He will be so missed.*

*God bless our dear Joey and may Aunt Kathy, Uncle Gabe and Jovie find strength during this difficult time.*
