“ *Dearest Susan, Russell, and Elliott,
We are so, so deeply saddened and our hearts are breaking along with yours. Just this past Saturday I was just showing the photo of Joe, Elliott, Rachel, Natalie, and Ryan- standing on the sea wall, arm and arm- to Aunt Ginny.... explaining how terrific their efforts were in painting the country house, and that we needed to get that sea wall repaired. She thought the kids looked too good to be related to us, but she agreed anyway. Joe was gracious and passionate, and he made us all better people. So wish we could be there with you!*

All our love,

Lori, Scott, Kaitlyn, and Ryan

joe would play with water guns all summer in his yard till sun down. I
miss skateboarding with you already :(We would challenge each-

“ I never had the pleasure of meeting Susan's son. However, I had the pleasure of going to school with Susan for 4 years in High School. If he was anything like his mother, then he was truly a beautiful young man inside and out. My prayers are with you and your family during this sad time. Love Michelle Bean Mitchell

“ I have countless great memories with Joe that I will cherish forever. His smile could make any dull moment a great one. I've been a good friend of his for a long time. We became friends through playing years of baseball together. He was the best teammate I could of ever asked for and was an even better friend off the field. Joe will be missed greatly and I send my condolences to the Pratt family.
