“ We have so many memories of both Dolores and Joe. We are friends of the family for almost 50 years. Harvey and Joe played golf with Fred (Lane) and my brother in law (Richie) for many years before we all moved to another state. Joe and Harvey and a bunch of other guys went on a number of rafting trips and we attended Blair'and Mark's wedding and they were at both our children's weddings. We went on many trips together and boy oh boy do I miss those wonderful years. Joe was a special person, and Dolores was one of the best woman I'd ever known in my life. I will say a prayer and for Joe and know that he and his Dee Dee are together again. May their memory be a blessing.
