“ *A person couldn't ask for a warmer or more loving mother-in-law. Jo was always there with her lovely laugh, putting herself out, accepting whatever we threw at her. She was a great Grandma, too, and I know her grandchildren had a special place in her heart, as she did in theirs. We will miss her very much...but it's good that she's not dealing with that lousy disease any more.*

“ *I did not meet you but from knowing your son Joe I know you were a blessing here. May your spirit shine knowing all the good you did and were during your time here.*
