“ Jerry - I can't tell you how many beautiful memories I have of you from when I was growing up - Your enthusiasm when something made you happy - your boat - your parents - "how the hell are you?" a very passionate person with lots of love in your heart - I will miss you so much and I really really hope you know how much you will be missed and how much you are loved- you have a beautiful sensitive soul - and I can't wait to meet you again
