“ *It is with our deepest sympathy and prayers of peace for the Massaro family. Julianna will always be the sweetest, smartest and most happy girl in our son, Quinten's 3rd grade class. She will always be remembered!*

“ *We never had the pleasure to meet Juliana, but my parents have and told us about this beautiful little girl. I always enjoyed getting our annual Christmas card of her picture and seeing how big she was getting. Her smile lit up that Christmas greeting. We will continue to pray for both her parents in this most difficult time.*

“ *I first met Juliana about 3 years ago, she is our great niece. She was a little at first and pleasant to be with. After a couple of hours she was a little chatterbox and took to us like she knew us all her life. She has her Fathers beautiful coloring and her Mothers beautiful looks. She was well behaved and we took to her immediately. She was an Angel then, and is still an angel*

*with Jesus.*

“ *Juliana,*

*Whenever we saw your smiling face on the block, it was always a pleasure. There was something contagious about you that made other people smile... a gift. Although we didn't know you very well, we will miss the light you brought to the neighborhood by just being you. I hope that wherever you are, you are continuing to smile that contagious smile.*
