“ *julie was first and foremost the most kindest and loving daughter friend sister and most of a loving aunt to her 2 nephews whom she cared about immensely but she was the most loving and caring wife and friend to me the past 4 yrs*

“ *OMG... I went out with Julie about 6 years ago for a few months and I was googling her name to see how she was doing and I can't believe she passed away. This really makes me sad. If someone would contact with more information about the situation.. it would be much appreciated. darx23@yahoo.com.*

“ *Julie was always so warm and open. She loved her family and would talk about them constantly. When I first got to know Julie, it seemed like she was always working on some knitting project for her baby nephew or someone in the family. I am truly grateful to have been able to share special times with her and I am deeply saddened for your loss.*

“ I didn't know Julie well, but I am a close friend of her husband Tommy & I know from him that she was a beautiful, wonderful, kind person & she was loved by many, many people. My heart goes out to Tommy & Julie's friends & family.

“ Julie was such a warm and wonderful woman. I remember many a night, she would invite me over for dinner and then bustle around the kitchen cooking. She loved to cook. I laugh as I think of her special brand of "healthy" food. I never quite got it, but it was always delicious, none the less. She also loved arts and crafts, which is one of the ways we connected. I will truly miss her. She was one of a kind and she understood me like no one else could. I am thankful she is no longer in pain. She is at peace now, and with her mother and father.

I am a friend of Angela's and my thoughts go out to you, Angie.
