“ Jules you will be missed. While Carol and I did not know you very well it was apparent from our being in your company that you were a loving husband, a doting father and a lovable grandfather. We saw the fruit of your's and Agnes' labor in your wonderful 4 children, whom we have the pleasure of knowing as well. Your grandchildren showed love and respect for you every time we were with you and your family. (well earned we are sure). You always treated us with love and respect. I loved your warm embrace and your kiss. You will be missed but not forgotten. Vaya con Dios and say hello to Christian for us.
